

# Win A Cash Prize of £25

**Town & Country Furniture Ltd,  
based in Abbey End, Kenilworth,**

are offering Chatterbox Readers a chance to win a £25.00 cash prize to spend anywhere you want! Simply work out the answers to the following three questions, taken from the Lancashire and Plymouth Education Authorities in 1910, and send your entry to Chatterbox Magazine, 2 Alpine Rise, Coventry CV3 6NT, hand it into Finham Library or e-mail [editor@chatterbox-magazine.co.uk](mailto:editor@chatterbox-magazine.co.uk) before May 7th 2010.

Or you can enter through our website: [www.chatterbox-magazine.co.uk](http://www.chatterbox-magazine.co.uk)

1. In a mixed school, 48% of the children are boys. There are 18 more girls than boys.  
How many children are there in the school?
2. The average age of 3 children is 10 years. The youngest is 8 years old.  
Find the average age of the other 2 when the youngest was born.
3. An estate covers 16,000 acres. Of this, 2,460 are kept for shooting. The house, gardens and park take up 40 acres. The remainder is divided into 30 farms, averaging 210 acres and 40 smaller farms.  
What is the average size of the smaller farms?
